

OUR VALUES

We believe work is transformational and can form the cornerstone of a person's life.

We believe that employment leads to dignity.

We believe our most valuable assets are the people we employ.

We commit to an inclusive culture of civility where difference isn't a disruption.

We believe that all team members will be 100% successful, 100% of the time, with 100% support.

We believe in transparent communication.

We believe in operating with integrity and providing excellent stewardship of community resources.

We believe alignment among team members is critical for excellence.

We believe that all relationships should be characterized by respect, integrity, and compassion.

We believe that our business success enables our mission success.

We believe in zero waste and being planet-friendly through living the 4Rs: Reduce, Reuse, Recycle, and Repurpose.

We believe that doing the basics with 100% accuracy, 100% of the time, is extraordinary.

We believe in being trustees of the communities we serve.

OUR MISSION

To provide employment services to those in need.

OUR VISION

To be an effective, mission-integrated social enterprise that changes lives through the power of work.
